

ABV REHEARSAL 15 MAR 2026 NOTES

Be sure to respond to the concert attendance poll sent out (by Peter)

1. Shlof Mayn Kind

2. Cloakmakers ... (Eb – 3 flats)

Through whole song with words

Focused on pronunciation M71-M79, which is going to be a BIG laugh line, so needs to be crisp, staccato-like!

Basses - M71-M79 **sing up the octave** on “-ses as-so-si-yey-shn” and “kri-gn vey-key-shn yo dukh dem klok-mey-kers”

Altos – M214-M216 **sing all notes up one octave**

3. Kegn Gold...

Reviewed whole song

4. Barikadn

Reviewed and sang Yiddish words

Tutti - M1-M2 (and all subsequent spots); keep vowels open when singing “kin-der-lekh bo-yen...” AND elide the /kh/ in *kinderlekh* to the /b/ in *boyen*

Sopranos and Altos M121 & M123: “ni-to” (with an open /o/) NOT “ni-toy”
