

Dos Naye Lid (The New Song) by Avrom Reisen

And should how far yet be the time  
UN ZOL VI VAYT NOKH ZAYN DI TSAYT

Of love and of peace  
FUN LIBE UN FUN SHOLEM,

Still come will, whether early or late  
DOKH KUMEN VET, TSI FRI TSI SHPET,

This time, it is no dream  
DI TSAYT, ES IZ KAYN KHOLEM.

I hear the song of love, peace  
IKH HER DOS LID FUN LIBE, FRID,

The mighty singing  
DI MEKHTIGE GEZANGEN.

And every note of song announces  
UN YEDER TON FUN LID ZOGT ON

The sun has risen  
DI ZUN IZ OYFGEGANGEN

It ends the night, the world awakes  
ES EKT DI NAKHT, DI VELT DERVAKHT

Full hope, cheer and striving  
FUL HOFNUNG, LUST UN SHTREBN.

You hear in air a voice calls  
DU HERST IN LUFT A SHTIME RUFT

To happiness and joy and life  
TSU GLIK UN FREYD UN LEBN.
